AVAILABLE FRAME FINISHES

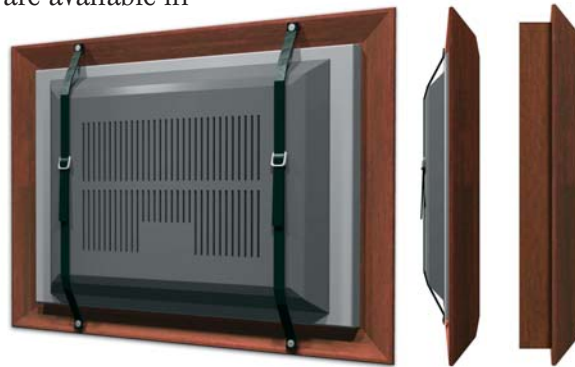

FrameMyFlatScreen Features & Benefits

Quality Hardwood Construction – Our TV Frames are custom handcrafted from American hardwood for your specific television make and model.

Beautiful Finishes – TV Frames are available in several attractive and durable finishes... one perfect for your decor. Choose from Cherry, Pecan, Walnut, Pewter Wipe, Gold Wipe or Black finishes.

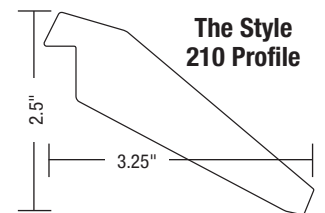

Easy Installation – TV Frames attach easily and securely using our two strap anchoring system that will not interfere with most standard wall mounts. Just place the frame on your TV, tighten the straps and enjoy. **TOOLS OR DRILLING IS NOT REQUIRED FOR INSTALLATION.**

Easy strap installation requires no special tools or drilling and will not interfere with most standard wall mounts or ventilation. Open or boxed sides styles available.

Ventilation – Our frames are design to not interfere with your television’s ventilation. Air can circulate freely behind and around your TV.

Satisfaction Guaranteed – Your satisfaction is very important to us. If you are not completely satisfied, contact us and if we cannot correct the problem, we will replace the frame.
